ABSTRACTED-PUB-NO: CN 1100609A

BASIC-ABSTRACT:

The bamboo shaving drink is made by the following method. Bamboo shavings are obtained from fresh bamboo after peeling and removing internal covering, they are then boiled with licorice root, cassia bark and water (10 times the weight), filtered and treated with mineral water or ordinary drinking water. The beverage can relieve fever, keeping the blood pressure low and is an anticarcinogen.
